Payments beginning with January 2026 include the 3% annual increase of $155.54 per month that took effect January 1, 2026. The dotted line marks the change.

## IMPORTANT INFORMATION

- **Fiscal year and tax year.** This statement covers the SERS fiscal year, July 1, 2025 through June 30, 2026. Your Form 1099-R reports the payments made in a calendar year, so its totals will not match the totals on this statement. Your 2026 Form 1099-R will be mailed by January 31, 2027.
- **Annual increase.** As a Tier 1 annuitant, your retirement annuity increases by 3% each January 1. The increase is compounded, which means it is figured on the amount you are receiving at the time.
- **Illinois income tax.** SERS retirement annuity payments are not subject to Illinois income tax, and SERS does not withhold Illinois tax from your payment.
- **Federal income tax.** Federal income tax is withheld according to the Form W-4P on file with SERS. To change your withholding, send SERS a new Form W-4P.
- **Insurance deductions.** Premiums for State group insurance are deducted from your annuity when a premium is due for you or your dependents. No insurance premiums were deducted from your payments during fiscal year 2026.
- **Changes to your account.** Requests to change your mailing address or direct deposit must be made in writing and signed by you. Forms are available at www.srs.illinois.gov.
