# LEGAL HOLD NOTICE

*Preservation of Documents and Records*

| | |
|---|---|
| **Re:** | Marsh & Mill Bakehouse LLC and Blue Ridge Mill Supply (Fletcher, NC): claim arising from the July 21, 2026 delivery under invoice BRM-20788 |
| **Effective:** | Wednesday, August 12, 2026, and until released in writing by this office |
| **Issued by:** | Hal Greer, Greer Law PLLC, counsel to the Company |

Dear Elena,

1. **Purpose.** On August 10, 2026 this office sent Blue Ridge Mill Supply a written demand on behalf of Marsh & Mill Bakehouse LLC (the "Company") for $1,720.50, consisting of the $1,402.00 paid on invoice BRM-20788 and $318.50 in other ingredients lost in batches mixed with the affected flour. Because a dispute over the July 21, 2026 delivery (the "July 21 Delivery") is now reasonably anticipated, the Company has a duty to preserve all records that relate to it. This notice puts that duty in writing.

2. **Scope.** The records covered by this hold (the "Held Records") are listed in Schedule A, which forms part of this notice. In summary: the Company's files concerning the July 21 Delivery and its dealings with Blue Ridge Mill Supply, the four Blue Ridge Mill Supply monthly statements for April through July 2026, all email with Blue Ridge Mill Supply and with this office about the matter, and the Blue Ridge Mill Supply records in the Company's Bakehouse Ops base for April 1, 2026 through July 31, 2026.

3. **What you must not do.** Do not delete, discard, move, rename, edit, overwrite or re-save any Held Record, and do not change a Held Record in Bakehouse Ops, even to tidy up or reorganize. Records that sit outside the hold folder, such as the four monthly statements, stay exactly where they are now.

4. **What you may do.** You may open, read, print and copy Held Records. If you need a working copy, make a copy and leave the original untouched.

5. **Retention schedule suspended.** The Company's records retention policy (business records kept 7 years) is suspended for the Held Records only. No Held Record may be purged under that policy or any routine clean-up while this hold is in effect.

6. **Not covered.** The Company's Blue Ridge Community Bank statements for business checking and the business Visa are not Held Records. They remain under normal retention and need not be separated or moved. The bank and the mill are unrelated.

7. **Communications.** All communication with Blue Ridge Mill Supply or its owner, Mr. Wade Pruitt, about this matter should go through this office. Please do not discuss the matter with staff, customers or anyone online.

8. **Questions.** If you are unsure whether a record is covered, leave it alone and call me at (828) 350-7103 before taking any action.

9. **Duration.** This hold remains in effect until I release it in writing, regardless of any settlement discussions.

Please sign the acknowledgement at the end of Schedule A and return a copy to me by email. Please don't hesitate to call with any questions.

Kind regards,

Hal Greer
