7/30	4:07	66	51	EM	
7/31	4:12	65	50	MR	cash and carry flour in

Read the wall thermometer/hygrometer before opening the door wide. Record time, temp and RH, then initial.
Out of range (below 60 or above 70 °F, or RH 60% or more): write what you did in Notes and tell Elena the same day.
Keep flour bags off the floor on pallets or racks. File the finished month in the office binder.
