CORKTOWN AUDIO WORKS

Brand Guide Version 2

STATUS	DATED	SUPERSEDES	PREPARED BY
Final	2026-10-05	v1, dated 2024-03-04	Kofi Mensah

This guide sets how Corktown Audio Works looks wherever a buyer meets it: listings, Instagram, shipping labels, insert cards and fair signage. Version 2 is final and in use from 2026-10-05. It supersedes Brand Guide v1 (2024-03-04) from that date.

Revision note

Logo colour changes to VU Amber #E3A33B (was Signal Teal #1F7A8C). Web address changes to www.corktownaudio.com (was www.corktownaudioworks.com). Everything else carries over from v1.

Element	Was (v1, 2024-03-04)	Now (v2, 2026-10-05)
Logo colour	Signal Teal #1F7A8C	VU Amber #E3A33B
Web address	www.corktownaudioworks.com	www.corktownaudio.com

Carried over unchanged: the wordmark and its spacing rules, the typefaces, the supporting colours, the email address kofi@corktownaudio.com, the Instagram handle @corktownaudio and the tagline.

Why VU Amber

The name comes from the meter glow on a warmed-up receiver. From 2026-10-05 amber is the logo colour on everything, in place of Signal Teal.

Contents

1. Wordmark 2
2. Logo colour 2
3. Supporting colours 2
4. Typeface 3
5. Contact block 3
6. Tagline 3
