OPEN ENROLLMENT

Monday, October 5 to Friday, October 23, 2026

Elections take effect Friday, January 1, 2027.

What's new for 2027

- A second medical plan. The new HSA 3400 plan sits next to our PPO 1500. It has a higher deductible and lower paycheck costs, and it comes with a health savings account that Desert Air puts money into.
- Rates go up about 6%. Our medical and dental renewal came in at 6.0%. Desert Air is absorbing the same percentage on its share, so the split between you and the company stays where it was in 2026.
- Vision rates do not change. VSP held the 2026 rates for 2027.
- Telehealth visits are $0 on the PPO. Call or video visits through Blue Cross Blue Shield of Arizona cost nothing in 2027, which helps when it is 115 degrees and nobody wants to sit in a waiting room.

How to enroll

1. Log in to Paylocity and open Benefits under Self Service. Each plan shows your cost per paycheck.
2. Pick a medical plan, then dental and vision. Dental and vision are separate elections, so changing medical does not change them.
3. Add or remove dependents. Children can stay on our plans through the end of the month they turn 26.
4. If you choose the HSA 3400, set your HSA contribution. FSA and HSA contribution elections do not carry over, so you make them again every year.
5. Review and submit by Friday, October 23. You will get a confirmation email from Paylocity.

If you do nothing

Your medical, dental and vision elections carry over to 2027 at the new rates. Your FSA and HSA contributions stop on December 31 unless you elect them again. Prefer paper? Stop by the office and Brianna will walk you through it.

Medical plans

Both plans use the Blue Cross Blue Shield of Arizona PPO network. Amounts are what you pay in network.

	PPO 1500 (current plan)	HSA 3400 (new for 2027)
Deductible (single / family)	$1,500 / $3,000	$3,400 / $6,800
Out-of-pocket maximum (single / family)	$5,000 / $10,000	$6,500 / $13,000
Preventive care	$0	$0
Primary care visit	$30 copay	20% after deductible
Specialist visit	$60 copay	20% after deductible
Telehealth visit	$0	20% after deductible
Urgent care	$75 copay	20% after deductible
Emergency room	$350 copay	20% after deductible

Non-preferred brand drugs (30 days)	$75	20% after deductible

With the HSA 3400 you pay the full discounted price for visits and prescriptions until you meet the deductible, then 20%. The money in your HSA is yours to keep, even if you change plans or leave Desert Air. With the PPO 1500, copays apply from the first visit.
