Important information about your accounts

In case of errors or questions about your electronic transfers

Call us at (602) 555-0166 or write to Saguaro Credit Union, Member Service, Phoenix, Arizona, as soon as you can if you think your statement or receipt is wrong or if you need more information about a transfer listed on it. We must hear from you no later than 60 days after we sent the first statement on which the problem appeared. Tell us your name and account number, describe the error or the transfer you are unsure about and explain as clearly as you can why you believe it is an error, and tell us the dollar amount. We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this, we will credit your account for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation.

Dividends

Dividends on savings are calculated by the daily balance method, which applies a daily periodic rate to the balance in the account each day, and are credited on the last day of each month. The annual percentage yield earned shown on page 1 is based on the dividends paid and the average daily balance for this statement period.

Overdrafts and returned items

Courtesy pay and overdraft transfer options are described in your account agreement. You can review or change them in online banking or at any branch.

Change of address

Please let us know right away if your mailing address, phone number or email changes so you keep receiving statements and alerts.
